```

Congrats, the module is now installed.

Product Labels Administration

Description

You can create as many product labels as necessary for your projet. For example : Climate (for clothing), Labels/Awards (biological agriculture, eco-friendly...etc), Top Sales / New Products ...

Product labels list

To manage product labels, you can go to **Marketing > Smile Pictos/Labels > Attributes:**

You will see the list of existing labels :

	ID	Image	Name	Attribute ↓	Value	Status	Action
☐	8		Sun	Climate	Hot	Active	Select ▼
☐	9		Snow	Climate	Cold	Active	Select ▼
☐	10		Rain	Climate	Rainy	Active	Select ▼
☐	20		Cool	Climate	Cool	Active	Select ▼
☐	12		PVC	Material	Polyester	Active	Select ▼
☐	19		nylon	Material	Nylon	Active	Select ▼

Create a new label

You can click on the `Add New Label` button to go to the create form:
