

# NomNom 4.70.0.39-beta.9+7a504f678934196ffc787d643ab3a0bf568d1b7a Crash Report

## Environment

### Operating System

Microsoft Windows 10.0.22631

### .NET

.NET 6.0.31

## User Comment

Crashed while trying to "add item" into Multi-Tool after update.

## Exception

### Type

System.Windows.Markup.XamlParseException

### Message

Provide value on 'System.Windows.Baml2006.TypeConverterMarkupExtension' threw an exception.

## Stack Trace

```
